### W&P Web Pages on the Internet

In common with many other ringing societies, the Guild maintains a World Wide Web site (<http://www.wp-ringers.org.uk>). For completeness and for maximum usefulness to readers, it is hoped this may include the same contact information for all Guild & District Officers and for tower contacts as is shown in the Guild Report. However, the Guild will **not** use your personal 'Guild Report information' on the Web site without your formal permission.

I would be grateful therefore if you could complete the Form below please and return it to me as soon as possible, to enable your personal details to be shown (or not, if you so choose) on the Web.

Yours sincerely

David Forder, Convenor - Guild Communications Committee
